**Curtis S. Francisco, CFP[®], AIF[®], Attends Exclusive Conference for
Leading Financial Advisors and Gives Back to Barretstown**

Jupiter, Florida (June 12, 2012) – Curtis S. Francisco, CFP[®], AIF[®], President of Asset Advisory Services in Jupiter, Florida, attended the Leaders Conference—an invitation-only educational event hosted by Commonwealth Financial Network[®], the nation's largest, privately held independent broker/dealer. The Leaders Conference is open only to the firm's most successful financial advisors. Only 2 percent of Commonwealth's network of 1,400 financial advisors was awarded Leaders status in 2012.

Attendees gathered in Enniskerry, Ireland, on May 15-20, 2012, to network with peers and colleagues, engage in exclusive conversations with Commonwealth staff, and learn key insights and obtain recommendations from industry leaders. Presentations included a timely market update, perspectives on the international economy, and thoughts on the budget debate. Attendees also engaged in Power Hour networking groups, designed expressly to share perspectives and best practices on client service with peer attendees.

“We commend Curtis S. Francisco, CFP[®], AIF[®] for his pledge to constantly evolve within his profession,” said Wayne Bloom, CEO of Commonwealth. “Curt is among the most respected financial advisors in our industry and a trusted partner to the clients he serves. Attending this event is just one of the many ways in which Curt displays a long-term commitment to educate himself on the best tools and practices to meet the demands of investors.”

While in Ireland, Curt participated in a day of giving back at Barretstown, a nonprofit organization that helps to rebuild the lives of children affected by childhood cancer. Ranging in age from 7 to 17, the children come from Ireland and across Europe to take part in activities such as canoeing, high ropes, drama, and arts and crafts. Through their achievements, they regain confidence and self-esteem and their own inner strength. Volunteers helped landscape and plan a welcome garden to greet the children and families arriving for camp, as well as painted a fishing boat and the fence that surrounds the property.
