**Medicaid Planning for Assisted Living
Kicks Off Women's Educational Seminar Series**

JUPITER, FL (October 3, 2012) –Curtis S. Francisco, CFP[®], AIF[®] is launching a quarterly women's seminar series on October 24, 2012. He will offer the mini-seminars from 8:00 a.m. to 9:00 a.m. in his office at 2141 Alt. A1A South, Jupiter, Florida. The first topic will be one that is often overwhelming to the elderly and their families: Qualifying for benefits to move into an Assisted Living Facility through Medicaid, Medicare and the Veterans Administration (VA).

“It can be very challenging for the elderly and their families to plan for the time when it may be necessary to move into an Assisted Living Facility,” says Francisco. “We are pleased to offer this presentation by Elizabeth Katz, a trusted Medicaid planning specialist, who has helped many of our clients through this process.”

This is an exclusive workshop for Curt Francisco's current and potential clients. It will be held in his office and a light breakfast will be served. Reservations are required, so please call his office today to get more information: (561) 747-9550.
